

PRESS RELEASE

IMMEDIATE RELEASE

Extraordinary People Awards Announces Humanitarian Aid Benefit

Brentwood, TN. 3/32/2022- We are excited to announce that our Extraordinary People Awards will be on September 24, 2022. The prestigious award will be a humanitarian aid and benefit event to help homeless veterans and the underprivileged in Jacksonville Florida.

The Honorees will be able to accept their prestigious award during the benefit event, both globally and locally. All the proceeds will go toward hosting the awards, feeding, and food distribution.

In addition, this will be a memorable event as Pot of Gold Outreach Ministry a registered non-profit of many years of services, will help sponsor homeless items.

Award-winning Gospel performer and Executive Director, Dwayne Coley Jr. will provide tailored catered meals through Feed The People Jax Inc. known for his "luscious" homeless veteran and less fortunate feeding program.

Dr. John Williams, of Come On In Inc. will distribute grocery and will do engaging interviews on his Elite On The Street Show.

This is an opportunity to serve others!

The registration for the award is open until August 13th. There will be tickets available until the quota is met or seats full. There are opportunities for sponsorship, advertisement, and donors available on the registration page.
